

Paradise Table Talk

Fresh from our table to yours

APRIL 2008

Calories don't count when you eat cookies for a good cause.

So this April make sure you eat plenty. In recognition of Child Abuse Prevention month, all of our Phoenix stores will donate ten cents for every cookie and \$1 for every dozen cookies to Free Arts of Arizona.

The *Cookie for a Kid* program is part of our partnership with Free Arts to help nourish the hopes and dreams of Arizona's abused children by supporting and celebrating creativity and the arts. To find out more go to www.freeartsaz.org.

It's getting hot. We'll keep you cool, in five refreshing flavors.

Who says coffee has to be hot? When the weather's warming up, a refreshing chilled coffee drink—with that special Paradise touch—may be just what you need. Try a Paradise Cookie Frappe (as shown) Mint Mocha Frappe, Caramel Frappe, Iced Latte or Iced Americano at any of our street locations for real refreshment as the weather warms.

Anytime is the right time for Paradise catering.

So whether you're holding a meeting, hosting a special event or getting married, we look forward to showing you what we can do. Take a look at our (catering menu). We'll deliver Paradise to your door!
