Aksarben Village
Omaha, NE

Boot up and chill out – Don't forget you can munch on a muffin; peruse the newspaper and check in with the office using Paradise Bakery & Café's free WiFi. It gives a whole new meaning to "power breakfast."

The statement is bold. The flavor is big.

The famous philosopher Plato once said, "At the touch of love, everyone becomes a poet." You can place that perfect message on a 12-inch decorated cookie in any of our delicious flavors for just \$16.95. Got a lot to say ... or a lot of people to say it to? Then try multiples of our 6-inch decorated cookies for \$6.95 each. Reserve your cookies today and pick them up fresh at your local Paradise Bakery any time you choose on Valentine's Day.

Catering honors our First President

Say the magic word and make your breakfast, lunch or dinner catering order even better.

When you place a catering order during February, mention the word "president" to receive a FREE box of twelve assorted cookies. Whether you're hosting an intimate gathering or a large group – Paradise will customize your order and delivery method to fit your needs. Catering menu and fax order form are available at paradisebakery.com or call your neighborhood café. Food fit for a king ... er, president.

Paradise brew

A steaming cup of coffee always makes the day go better. Try Paradise's signature coffee flavors: *Paradise Estate*, our award-winning medium roast from Panama with balanced body and rich aroma; or *Viva Bold*, a dark roast made with select beans from Kenya, Sumatra and Colombia. And now you can sip it hot on the road with our insulated, stainless steel mugs for \$7.49 in a choice of colors. Mug refills are 75 cents anytime.

Take your tastebuds to Italy

Your "passport" is our Tuscan Chicken sandwich. You'll say that's amoré when you taste our all-natural grilled chicken breast served on ciabatta bread with pesto mayo, fresh basil and mozzarella. We top it off with green olives and pepperoncini relish for an extra kick. Enjoy the adventure.

Melt the winter blues

Imagine fresh-sliced, smoked turkey with cranberry sauce, mayo, lettuce and tomato served on delicious Paradise molasses bread. Now kick it up a notch. Order one-half of our "Turkey Cranberry" sandwich with any version of our small salads and you've got a one-two punch that will send Old Man Winter packing.
