

Stimulate your business day!

Morning meetings are a great way to kick-start the day. They're also a great gathering time to say thank you to employees who've been working hard during these trying times. So, let Paradise boost your bottom line with a catered breakfast. During May, we'll even add our own stimulus package – a gallon of coffee for just \$12.95. That's more than 30 percent off our regular price.

Menu and order form at paradisebakery.com/catering or your nearest Paradise Bakery & Café location. Coffee discount available at participating stores.

Do you feel lucky? Do ya?

How many chips do we put in our giant chocolate chip cookies? Here's a hint: Paradise Bakery & Café uses *more than a billion chocolate chips a year!* May 15 is National Chocolate Chip Day and we want to celebrate with you. If you can guess how many chips we use in one of our delicious giant cookies, you could win a free lunch for two.

Here's what to do: Just stop by your local PB&C on Chocolate Chip Day and write down your guess on the entry form. Or, get bold and visit every café in town. At the end of the day, each participating store will choose the entry with the closest guess and notify the winner. We'll even have a giant cookie on display to help you count. Just no nibbling in advance!

100 times on the blackboard: We LOVE our teacher!!

Hurry up before the bell rings and order a giant cookie to show your child's favorite teacher how special she or he is. May 5 is Teacher Appreciation Day. What better way to say "thank you" to those who motivate and inspire students to bring out their best potential? Do you suppose the teacher will let everyone stay after school and share the sweetness?
